What is HKN?
IEEE-Eta Kappa Nu, or IEEE-HKN, is the international honor society of the Institute of Electrical and Electronics Engineers that promotes excellence in the professions of Electrical & Computer Engineering and Computer Science.

What is Power Hour?
Power Hour is IEEE-HKN @ Virginia Tech's bi-weekly tutoring session. Any Virginia Tech student can stop by for help with their classes! While we typically help with 1000 and 2000 level ECE courses, you will find that our members can help you with other courses (such as MATH or ENGE or even higher level ECE courses) as well!
