

June 6: Sample Engineering Virtual Academic Advising and Course Registration Email for Transfer Engineering Students

Hello and welcome to the College of Engineering at Virginia Tech. We know you are looking forward to registering for your fall 2022 semester classes and our engineering advising team will help you navigate this virtual registration experience.

The Engineering Virtual Advising and Course Registration process requires you to review the [2022 - COE - Virtual Academic Advising and Course Registration Canvas Site](#) which includes detailed information about the College of Engineering.

Overview and Transfer Direct Admit Pilot:

- Now-June 13:** Enroll in and Read through the [2022 - COE - Virtual Academic Advising and Course Registration Canvas Site](#)
- Save the Date and Attend a [Virtual Engineering Overview Session](#)
- Complete all remaining items on the [Engineering Orientation Checklist](#)
- Review the [COE Direct-Admit Transfer Student Frequently Asked Questions](#)
- June 13-August 26:** Register for Classes – details in the Canvas Site
- August 22:** [Classes begin Academic Calendar](#)

Engineering Resources to Save and Review

- [2022 - COE - Virtual Academic Advising and Course Registration Canvas Site](#)
- [Orientation Website](#)
- [Orientation Checklist](#)
- [Frequently Asked Questions](#)
- [COE Direct-Admit Transfer Student Frequently Asked Questions](#)
- [Computer Requirement and Additional Supplies](#)
- [Degree Requirements \(Checksheets\)](#)
- [Pathways to General Education](#)
- [Self-Evaluate Your Transfer Credits](#)

Details from your major:

- Your Major is: *[MAJOR]*
- Your Academic Advisor is: *[ACADEMIC ADVISOR]*
- Details regarding class registration and advising: *[ADVISING DETAILS]*
- Review your major's [graduation requirements \(checksheets\)](#) prior to working with your academic advisor.

We look forward to working with you!
