Welcome to Engineering Open House 2018! We are so glad that you could join us for this event! Here are some Frequently Asked Questions to assist you with your day today. Please let us know if we can answer any questions for you.

Q: Who/where can I ask a question?
A: Please direct any questions you have concerning VT and the College of Engineering to our undergraduate student volunteers in maroon & white polos or black volunteer T-shirts. If you have specific Engineering Open House questions, please visit our Help Desk on the 2nd floor across from Registration.

Q: Where do Campus Tours Meet?
A: The first floor of Squires Student Center by the big Hokie Bird; anyone can go on the campus tours! These leave at 10:10 AM, 11:15 PM, and 1:25 PM. For security reasons residence halls are NOT included in the campus tour.

Q: Where do Lab Tours Meet?
A: Lab tours will meet on the 2nd floor of the Old Dominion Ballroom in Squires Student Center – there will be a table staffed by volunteers to assist you. Registration is required for lab tours and they are for prospective students only. If you forget when you were signed up, please go to the information booth outside of Commonwealth Ballroom.

Q: How do I get the shuttle bus back to Chicken Hill parking lot?
A: The shuttle buses will be running every 15 minutes from the Haymarket Lobby entrance of Squires; from 1:30-5:00 PM the buses will be running continuously to take you back to the Upper Chicken Hill parking lot.

Q: When does my parking pass expire?
A: Your parking pass is only valid for today, APRIL 9th only! If you are staying another day you will need to get a new visitor’s parking pass from the Visitor’s Center located at 965 Prices Fork Rd.

Q: Where is the best place to eat lunch?
A: VT is ranked #1 for campus food in the country so on campus dining is a great option! We also have some great off campus eating places within walking distance in downtown Blacksburg – please look at the food map in your information bag or ask a volunteer for recommendations.

Q: Is there a place I can relax?
A: The Williamsburg Room on the 2nd floor is available for you to take a seat and rest throughout the day.
