▼ Part III: Leadership, Academic Achievements, and Extracurricular Activities Block Options ▼

Q21 **Part III: Leadership, Academic Achievements, and Extracurricular Activities**

 Please only include activities in which you have participated during high school.

Q31 **Please list any STEM extracurricular activities (summer programs, clubs, etc.) in which you have participated or are participating and the duration of involvement. (ex. First Robotics, Sept 2016-June 2017)**

Q32 **Please list any leadership roles that you have held or currently hold, the corresponding organization, and the duration of involvement. (ex. President, National Honors Society, Sept 2016-present)**

 

Q22 **Please list any academic achievements and/or other honors and awards, the corresponding organization, and the year in which it was received. (ex. Female Scholar Athlete, School Athletics Department, 2017)**

 

Q34 **Please list any extracurricular activities in which you participated for 2 years or more and the duration of involvement. This may include activities that you were involved with before high school IF your involvement continued into high school. (ex. Girl Scouts of America, 2012-2017)**

 

 **Please list all other extracurricular activities.**
Q33

 **If you listed any summer program(s) in any of the fields above, please give the name, location, and a brief description of the program(s).**
Q23

▼ Part IV: Essay Block Options ▼

 **Part IV: Essays**
Q24

 Your response for **each** essay question **should not exceed 120 words**. Draft in Microsoft Word or another word processing program to check for spelling, grammar, and word count. Then copy and paste into the fields below.

 Describe your involvement in an organization or community group where you have a leadership role. How did you work with others toward a common goal? What obstacles did you encounter and how did you overcome them? What has this taught you? (Not to exceed 120 words.)
Q25

 Describe a situation where you or others were not treated fairly or things were working against you. What did you learn? Where did you go for help? (Not to exceed 120 words.)
Q26

 Outside of academics, what are you passionate about? Would you consider yourself an expert in this area? How do you pursue your passion or become an expert? (Not to exceed 120 words.)
Q29

Q26 Where do you see yourself in 10 years? How will you get there? What challenges will you face? How do your goals compare with others in your high school? How does engineering align with your goals? (Not to exceed 120 words.)

Q27 **By checking this box, I am electronically signing this online application and acknowledging that the information I have provided is accurate to the best of my knowledge.**

 By checking this box, I am electronically signing this online application and acknowledging that the information I have provided is accurate to the best of my knowledge.

Q35 By clicking the forward button below, you are submitting your application for the C-Tech2 Summer Program. Upon submission, you will be sent an email indicating that your application has been received. Please keep a copy of that page for your records.
